To obtain the coordinates for where you must send the leasing agreement, please phone 1-844-544-3332.

¹ **Renewable:** A renewable agreement has the advantage of being automatically renewed at MAPAQ without you having to provide new signed forms. It can be revoked at any time according to the agreement between the parties. In such a case, you must advise the Ministry of the end date of the agreement.

² **FPTCP:** Please indicate with yes or no if you wish to participate in the Farm Property Tax Credit Program (FPTCP). Please note that you cannot benefit from both the Forestry Financing Program and the FPTCP for the same assessment unit.

³ **Yes:** For an assessment unit operating as a rental, you must complete a joint application form for payment (available at www.mapaq.gouv.qc.ca/taxes) and send this form according to the coordinates listed on it.
